

POSITION: Classroom Teacher

ABOUT THE ORGANIZATION:

Urban Dove Team Charter School (UD Team) is a completely unique and innovative network of alternative sports-based high schools for over-aged, under-credited youth. Our schools combine a rigorous academic curriculum with a hands-on, real-world vocational program, and an award-winning college and career readiness program that strives to give each graduate a high school diploma, a foundation for higher education, and the job skills needed to enter the world of work.

Energize. UD Team schools energize at-risk students through a sports, health and fitness program that focuses on developing teamwork, healthy competition, and self-confidence for academic and life success.

Educate. UD Team schools educate over-aged, under-credited students through a 3-year mastery-based, personalized instructional program that leads to a high school diploma, a foundation for higher education, and the job skills needed to enter the world of work.

Empower. UD Team schools empower disconnected youth through individualized academic support, internships, and counseling so that they are prepared to be active, healthy, informed world citizens.
